

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging
Conditions, Mrs. Bullock Gave
Up in Despair. Husband
Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

EDUCATIONAL.

The most notable educational gathering ever held in West Tennessee will convene in Memphis April 13, 15, when the West Tennessee Teachers' Association will hold its third annual meeting. A program participated in by some of the leading educational experts of the United States has been arranged by the Executive Committee, of which Dr. A. A. The general programs will be addressed by Dr. Geo. S. Denny, President of the University of Alabama; Dr. W. S. Currell, of the University of South Carolina, and Dr. Edward H. Griggs, who for the past four years has been the most popular lecturer in the Goodwyn Lyceum Course. The special meetings will have Dr. Chas. McMurry, the most famous writer of the textbooks on methods, Dr. Chas. A. Bennett, Editor of the Manual Arts Department, of the Bradley Polytechnic Institute, Peoria, Ill., and Professor C. M. Hill, of the University of Missouri, an expert on the junior High school problem. Several local educators will discuss questions of vital interest to West Tennessee.

Preparations are being made by the State Normal School and the Central High School to furnish music for the occasion.

It is confidently expected of the twenty-five hundred teachers in West Tennessee fully fifteen will be in attendance.

Woman Cures Horse Colic.

The men were away as usual. The horse was bad. A lone woman could not "drench" in the old way. She called upon a neighbor and her men were away—but; "We have Farris Colic Remedy that you drop on the horse's tongue," says Mrs. Neighbor. So she came over and dropped Farris Colic Remedy on the horse's tongue and the horse was well when the men came home. Moral: Get Farris Colic Remedy so the women can cure horse colic. We sell it at 50 cts. a bottle on the Money Back Plan. W. S. Shinsault. 4-1

Feed Out Your Hogs Six Weeks Earlier.

In every lot of hogs on feed two or three weeks quickly and actually eat less than others. If all would fatten like these, the entire drove would be ready for the market six weeks earlier and to save six weeks feed is an item that you fully understand.

The hog that fattens easily must be in prime physical condition. The B. A. Thomas Hog Powder is a conditioner for hogs. It keeps their system clean and healthy and enables them to fatten quickly without falling a prey to the usual diseases of hogs. The B. A. Thomas Hog Powder is not stock food. It's a straight medicine, and we took the agency because it enables you to feed out your hogs much earlier. W. S. Shinsault. 4-1

Heart Symptoms

The ailments of women include symptoms of heart trouble known as palpitation of the heart. The palpitation is so violent at times as to be really painful and leads the patient to fear she has heart disease. Ninety per cent of such cases are not heart disease at all but only a symptom of a liver disorder which has affected the normal action of the heart, and on applying the proper remedies the unusual throbbing ceases. The stomach and digestion need strengthening and the depressing effect of these disorders on the female organism must be corrected. For the latter purpose there is no more effective remedy to be found anywhere than

DR. SIMMONS
